

CB1000R

HONDA
The Power of Dreams

STAR QUALITY

It's hard to define star quality. It goes beyond performance or looks.
It demands perfection, but with a human touch.
It cannot be faked or concealed. It's always a step ahead,
even when standing still. It's hard to define...

...but not impossible.

Aggressive, edgy, yet perfectly composed.
The CB1000R's predatory profile surfs the cut and thrust
of city streets with unbelievable cool; and tears up twisty terrain
for the sheer thrill of it. Smooth power delivery as well as
on-tap thrills when you feel like calling upon them.

Alluring, intimidating, irresistible.

When does a piece of engineering turn heads, tug at hearts?
We think it's when each impeccably finished detail is
not only a masterpiece of machinery but an integral part of
an exquisite design concept.

Just like the CB1000R, the refined essence of motorcycling.

Beneath its distinctive side covers, the CB1000R's compact, lightweight fuel-injected engine resonates with exhilarating power. Fully adjustable front suspension and a compact gravity die-cast aluminium frame contribute to razor-sharp handling. Optimised low-end torque, incredibly smooth gear change action and superior Super Sports-level brake performance (a smoothly responsive Combined-ABS version is also available) ensure cool faultless control.

Perfect.

'08 CB1000R/ *ABS

Engine	Liquid-cooled 4-stroke 16-valve DOHC inline-4
Displacement	998 cm³
Bore × Stroke	75 × 56.5 mm
Compression Ratio	11.2 : 1
Carburation	PGM-FI electronic fuel injection
Ignition System	Computer-controlled digital transistorised with electronic advance
Starter	Electric
Transmission	6-speed
Final Drive	#530 O-ring sealed chain
Dimensions (L×W×H)	2,105 × 785 × 1,095 mm
Wheelbase	1,445 mm
Seat Height	825 mm
Ground Clearance	130 mm
Fuel Tank Capacity	17 litres (including 4-litre LCD-indicated reserve)
Suspension Front	43 mm inverted HMAS cartridge-type telescopic fork featuring 10-step preload and stepless rebound adjustment, 120 mm cushion stroke
Suspension Rear	Monoshock with gas-charged HMAS damper featuring 10-step preload and stepless rebound damping adjustment, 128 mm axle travel
Wheels Front	Closed-section 4-spoke cast aluminium
Wheels Rear	Closed-section 4-spoke cast aluminium
Tyres Front	120/70 - ZR17M/C (58W)
Tyres Rear	180/55 - ZR17M/C (73W)
Brakes Front	310 × 4.5 mm dual hydraulic disc with 4-piston (*Combined 3-piston) callipers, floating rotors (*ABS) and sintered metal pads
Brakes Rear	256 × 5 mm hydraulic disc with dual-piston calliper (*ABS) and sintered metal pads
Frame	Mono-backbone; cast aluminium
Caster Angle	25°
Trail	99 mm
Kerb Weight	217 kg (F: 106 kg; R: 111 kg) *222 kg (F: 108 kg; R: 114 kg)

*Combined-ABS version

Dragon Green Metallic

Pearl Nightstar Black

Please speak to your Honda dealer for local information.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your dealer for details regarding the specifications of any featured product. This publication shall not constitute - under any circumstances whatsoever - an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised.
